Hi all -

Thursday the 19th does not work for the City. Can we schedule this for the following week? Right now all days are open on the LWG calendar except Wednesday morning. We could do Thursday, October 26 - now that the Senior Managers' meeting is rescheduled?

Thanks
Valerie

There is a chance I will be out of town that week. However, I can participate via the telephone if the week of October 18th works best for everyone.

Valerie,
A number of us here at DEQ are very interested in attending. However,
Wed 10/18 doesn't work for us. How about Thurs?

Chip, Eric, Jim -

The LWG would like to arrange a meeting with you all and other key
people from EPA and DEQ for a discussion on stormwater. I would
like to propose that this meeting take place the afternoon of
October 18.

Please let me know if you and other key folks would be able to
meet with LWG on this date, or perhaps suggest another day during
the week of October 16.

thanks
Valerie
